Winter Conference
JANUARY 31–FEBRUARY 2

ACHE Qualified Education Credit

Greetings!

340B Health is pleased to announce that American College of Healthcare Executive (ACHE) Qualified Education Credit will be offered for the 340B Coalition Winter 2022 Conference. Please see the sessions listed below that qualify for ACHE credit.

Regardless of Qualified Education Credit pre-approval, all attendees must self-report their attendance for this credit to be applied toward their advancement or recertification as Fellows of ACHE (FACHE).

By attending the 340B Coalition Summer Conference offered by 340B Health, participants may earn up to **12 ACHE Qualified Education Hours** toward initial certification or recertification of the Fellow of the American College of Healthcare Executives (FACHE) designation. Attendees may earn credits by attending the live sessions on January 31–February 2 or watching the On-Demand sessions to completion.

Note: Not all sessions are eligible for ACHE Credit. Please see the chart on the next page.

To help you remember which session(s) you've attended, please do the following:

- Record the CE code at the end of the presentation (after the live Q & A session) using the form below or the notes section in the mobile app or hybrid platform.
- Send an email with your name, the sessions you attended, and the codes to education@340bhealth.org. We will then verify the codes and send you a Certificate of Attendance.

Sessions will generally become available on-demand within two weeks (usually faster) for ACHE credit.

To claim this credit, simply watch the session to the end (this will be verified) and email your name and the session(s) that you watched to education@340bhealth.org. **Sessions will be available On-Demand until March 4, 2022.**

Please remember you must self-report all credits earned by logging in to your MyACHE page. If you're not a member of ACHE—go to www.ache.org and click on Join at the top.
